LOOP Routes

Nights, Sundays & Holidays

HARTransit LOOP Routes feature three routes serving many of the daytime CityBus locations. Be sure to consult the map and timetables before your trip, as the LOOP Routes vary from the regular daytime routes. Be on the lookout for smaller buses when seeking the LOOP. The LOOP Routes honor transfers from all regular routes.

El HARTransit LOOP consiste de 3 rutas nocturnas con buses mas pequeños que las del día, cuyas rutas recorren los lugares mas frecuentados en las rutas del día. Las transferencias desde otras rutas son aceptadas en el LOOP.
