YOUR BUS RIDE IS AT RISK

YOUR BUS RIDE IS AT RISK

The Special Transportation fund that the state uses to invest in buses is running dry.

As a result, the Connecticut Department of Transportation (CT DOT) is proposing a

15% reduction to transit providers like HARTransit beginning July 1, 2018.

THIS CUT WILL CAUSE THE REDUCTION AND POSSIBLE ELIMINATION OF BUS ROUTES.

HARTransit Routes 1-7, LOOPS, the 7 Link, the Katonah and Southeast shuttles and ADA Paratransit services are at risk.

YOUR VOICE MATTERS! What YOU can do:

- *Call or email your legislators to tell them to invest in the bus system and the importance of the bus service to you.*
- *e-mail us with your story at info@hartransit.com.*
