Brewster Shuttle Service Announcement

Brewster Shuttle will not use Brewster Station after the **5:36pm** train arrival on **Thursday, the 26th**, due to Brewster Fireman's Parade street closures.

After 5:41pm, **Brewster Shuttles will detour to Southeast Station** and continue to drop passengers off at Brewster Shuttle stops for the rest of the night.

Since both Southeast and Brewster Shuttles will meet trains at the Southeast Station, ask the driver if you're boarding the correct shuttle.
