ATTENTION 7 LINK RIDERS:

Beginning, Monday, November 25, please note that HARTransit will use SMALLER buses on the Danbury-Norwalk 7 Link service. With this change, buses will leave from the middle bay at the Pulse Point and line up with Routes 1, 2, and 3. The 7 Link service will no longer serve Rose Street and will instead use Elm Street to access Main Street. There will be other schedule adjustments in the coming weeks aimed at improving on-time performance on this route.
